

EQUALITY IS THE GAME

SENIOR CLUBS

This session tackles the issue of gender equality, racial equality, sexual equality (LGBTIQ+), respect and inclusion. Some members of sporting clubs can be a little insecure and tribal. The community is challenged to widen its scope of understanding of how other people live and contribute to our society through their diversity.

"SALT has provided our club with the means to create an inclusive and safe environment for the players. Everyone is now more consciously aware of the need to look after each other."
