7 (Strongly Agree)	26.09%	6

Average rating: 5.74

## Any additional comments on your Mixed Age Club

Answered: 9 Skipped: 22

1. Female players need to be allowed to play or atleast should be advised that they're not allowed to play past a certain age. Under 15 players should not be benched over under 12 players filling in. Players bullying players when they miss a goal or don't achieve the kick they desired. Under 12s not recognised as a whole. Under 12 players going into under 15s the next season should have priority to fill in for 15s over under 12 kids who aren't even 10. More family events rather than all based on seniors. Moving players on the field not just the same positions each week as they are learning and growing. They deserve to be moved and not just the "star players" recognised. Canteen staff do a wonderful job. Same families each week that volunteer.
2. This survey was completed for the junior football side. I'm unaware how the senior side are. The club didn't used to have a good reputation of loyalty but this season seems to have improved with new coaches and leaders.
3. Club members need to spend time sitting down the goal ends during the u15 and u 18 games. The hate and the way the boys speak to each other is o disappointing and disrespectful. They are meant to be a team!!!! I as a parent should not have to be pulling players up during games to pull their heads in and reminding them that team mates don't speak to each other like that.
4. I have tried to answer the questions clearly, but at our club we have quite a few people really trying to do the right thing and a few outliers who seem to actively "hate" on the people doing the right thing. We had a dreadful incident last year where the board did not deal with the person who created the problem quickly - rather they spent time doing a review - bad feeling at the club all round and many people then felt excluded. Much better vibe around the club this year
5. Great club. Some of the answer were a 5 but this was only because I'm not actually aware of the answer and there was no option for that
6. The management this year has been wonder and Engaging and encouraging for all the juniors and the families.
7. na
8. We're new to the club and were amazed at how friendly it is.
9. My family and I have had a fantastic time this year!
